

6th Grade Computer technology:

Keyboarding	<p>We will be learning the basic components of computers as well as taking keyboarding lessons. You will complete a typing program that will drastically help you throughout your education.</p> <p>We will create an account on <i>typingweb.com</i> and work on proper keyboarding technique. No peaking!</p> <p>By the end of middle school you should be typing 20-30 words per minute with 90% accuracy. Don't worry, we'll get there!</p> <p><i>Standard 5: Technology Operations & Concepts</i></p>
Internet Safety	<p>What is the cyber community? Why does everyone tell you to be careful when you're online? It's no big deal, it's just a computer... right?</p> <p>In today's world being a quality member of the cyber community is a necessity for everyone. I will introduce you to the proper uses of the internet.</p> <p>We'll have discussions and complete activities based on complications that can occur with use of the internet. We'll cover digital media, personal safety, the cyber community, cyber bullying, viruses and intellectual property.</p> <p><i>Standard 4: Digital Citizenship</i></p>
Google Drive	<p>Long gone are the days of floppy disks... today you'll need to know how to work on Google Drive.</p> <p>Toton School District has issued gmail accounts to all students. We will introduce you to the Drive and all of the opportunities for excellent learning.</p> <p>We will work to customize your account and settings, we'll create a gmail signature, attachments, sharing documents as well as the ins-and-outs of manipulating a document.</p> <p><i>Standard 2 Communication and Collaboration</i></p>
Presentations	<p>All of the you will become familiar with Google Presentation by creating a document and a presentation about yourselves!</p> <p>The Document Requirements:</p> <ul style="list-style-type: none">→ Word Art→ Image of yourself→ 3 favorites

	<p>The Presentation Requirements:</p> <ul style="list-style-type: none"> → Name and age → Favorites with images → Family with images → Best memory <p>I'll teach you how to use a digital image and import it to personalize your work!</p> <p><i>Standard 1: Creativity and Innovation</i></p>
<p>Research</p>	<p>These funny looking boxes are not just screens that you can play games on! They have interesting and mysterious ability too!</p> <p>Education is changing, as students you are expected to know how to collect, and use evidence to support your concepts.</p> <p>I'll teach you how to conduct effective research online. You will learn the difference between a credible source, and a non-credible source. You will become familiar with source citation, format, and presentation !</p> <p>Depending on time, we will hopefully be completing two research projects:</p> <ol style="list-style-type: none"> 1. Endangered Animals 2. Your Dream Vacation <p><i>Standard 3: Research Skill and Critical Thinking</i></p>
